

# Friday Feb 16, 2018 –AFRICAN AMERICAN SCIENTISTS –

- Learn about the accomplishments of TEN African-American scientists and inventors.
  - Write a brief summary about how they contributed by finding solutions to the world's problems.
  - **Please Check your KHAN Academy Assignments as well. They need to be completed**
- **In your summary, include the following:**
    - Name of the scientist
    - Year born/death
    - Education
    - Scientific discipline
    - Contributions
    - Photographs/figures if available
